 1. I had the privilege of speaking with students from across LA County to speak in favor of Item 41 on the May 26th agenda, the Metro Universal Pass (U-Pass) which passed unanimously!
 2. The South LA Transit Empowerment Zone, Move LA, members of the LA Trade Technical College and students from Cal Poly Pomona, East LA Community College, Glendale Community College, LA Pierce College, LA Trade Technical College, Long Beach City College, Pasadena City College, and UCLA attended the meeting to testify in support of adopting this program.
- iii. Interesting read

- b. Reports that residents in Pomona's Kellogg neighborhood (just south of our campus) came together on Thursday, May 26th to talk about concerns from students parking in their neighborhood. Again, Cal Poly Pomona's transportation is not just a campus issue, it is affecting our surrounding communities.
