discussion they would be asking the senate to move this to an action item

2. Cora introduced Yvonne Bailey, Director of the Children's Center, to present a set of policies that the Parent Advisory Board had already taken action on since the Children's Center was going through a reaccreditation process with the requirement to have these policies in place
3. Yvonne and Melissa Terrazas presented the policies that were required by the National Association for the Education of Young Children (NAEYC) for reaccreditation and were approved on June 15, 2012. She added that they would go into the parent handbook and be given out at their orientation.
4. In the interest of time, Yvonne highlighted the following major policies rather than the procedural ones
 - a. Section 3.20 Classroom Consistency Policy
 - b. Section 3.32 Policy to Protect Children from Air Pollution
 - c. Section 5.13 Child/Staff Ratio Policy
 - d. Section 5.8 Parent Involvement Policy
 - e. Section 5.1 Staff Professional Development Policy
5. A question and answer session ensued

B. Proposed Room Names for BSC (attachment)

1. Cora gave the history that in 2002, when they were getting ready for the opening of the student center expansion, the senate recommended to the university a name change for the building, the fitness center and a theme of constellations for the naming of the meeting rooms
2. She noted that there were now several rooms that were formally leased and needed to be listed by name in the scheduling system for the fall quarter so that was why this was a time sensitive item for today
3. David Quezada gave some additional information on the background of these spaces as meeting rooms and presented the recommendation of names for the former space leased by the Visitors Center and Kaplan as the following:
 - a. Polaris
 - b. Phoenix
4. He noted that he had researched both names to rule out if there were any hidden meanings or if they would be insulting to any culture or group on campus. He added that the university reserves the right to name buildings and large spaces, however it is up to the division to name specific rooms.
5. Discussion took place regarding the proposed names, the other names originally suggested at the ASI Team meeting and possible associations and objections
6. Dr. Speak stated that he had strong reservations with the name Phoenix due to the association with University of Phoenix and how the faculty would feel about meeting in a room with that name
7. Additional discussion took place regarding which names would suit the

specific spaces and why. The choices were narrowed down to the following:

- a. Atria or Polaris for the previous Visitors Center space
 - b. Polaris or Perseus for the previous Kaplan space
8. Dylan made a motion to suspend Robert's Rules to move Discussion Item A and B to Action Item B and C, seconded by Mary
 9. Christine called the vote: 14/0/0, motion passed
