Campus Recreation

The Intramural Playoffs are this week with the final flag football games occurring on Friday, November 30th, before Midnight Madness. The Bronco Fitness Center has established a walk/run group on campus that they would like to develop further and promote to non-members of the Fitness Center during the Winter and Spring Quarters. They are also working with Health Services to establish permanent walking and running routes on campus as many students, staff and faculty enjoy walking our beautiful campus. Don't miss out on some of the great activities coming this Winter like the "I Am Fit Challenge", a Hantis Intramural League, and a two-day ski school trip as a part of Outdoor Adventures! More information will be coming on these great activities. The Bronco Fitness Center will be starting their holiday hours of 11:00am to 7:00pm, Monday through Friday, after finals week. The Bronco Fitness Center will be closed during the campus winter break.

Gas Creative Group

Gas is finalizing the construction signage for the BRIC that will be displayed around the construction perimeter to inform and entice students about the great new facility that will be available in fall 2014. The Intramural Quilt in the first floor rotunda of the BSC will be moved to allow for a marketing wall of images, plans and information about the BRIC, beginning winter quarter. This key location outside Campus Rec serves as a stop on the campus tour route and will allow for ASI to inform current and incoming students about the construction project.

Friday and Weekend Programs

Friday, 11/30, is Global Madness and BEAT has risen to new heights with hot air balloon rides and a miniature train for students to ride through campus in addition to

all of the traditional events of Midnight Madness. Half of the balloon ride tickets will be given out starting at 9:00pm on a first come first served basis. The other half will be given out through an opportunity drawing held at 10:30pm, Friday night. More information will be available at the Train Station (tent at the corner of the BSC by Starbucks). Weather is a factor in the outdoor activities and if it is raining or the winds are too strong, the balloon will be rescheduled to another date in Winter or Spring. Check the Facebook event page for updates Friday. The First Friday program will be January 11th, the first week students return to class.
