

ASI SENATE MEETING

May 3, 2012

Cora M. Culla

ASI Executive Director's Report

1. **SUBJECT: Recreation Center Progress Report**

DETAIL:

- The bidding for the project closed on Tuesday, May 1. CW Driver is currently reviewing the bids and interviewing contractors to determine the GMAX for the project, which is due May 15.
- The submission of agenda materials to the Chancellor's Office for the BOT meeting is due June 12 and the staff is working on the required documents.
- The groundbreaking event for the Recreation Center is planned to be held on Tuesday, May 31 at 1:00pm at Bronco Commons. The intent is to invite students, administrators and the campus community to come together before we actually break into the ground this summer and be part of the unveiling of the approved name for the facility.
- Please plan on being there as ASI student leaders. The newly elected ASI student leaders and past ASI student leaders will be invited as well.

2. **SUBJECT: Personnel Updates**

DETAIL:

- The search committee for the Recreation Center Director position is being formed and the goal is to bring the finalists to the campus for interviews by the week of May 21.
- The positions of Fitness Assistant and Intramural Assistant have been posted with the intent to hire in July.

3. **SUBJECT: Children's Center Silent Auction**

DETAIL:

- The Children's Center thanks everyone who supported the Silent Auction last Thursday, April 26.

SENATE MEETING
May 3, 2012**

1. **Subject: ENV Conference**

Details: ENV council and the Dean's Office will be hosting the 2nd annual ENV Conference this Saturday, May 5th. ENV Conference is an event where a professional panel is engaged with questions and conversations generated from students and event coordinators. This year's theme is "Design is Design is Design: exploring opportunities for interdisciplinary collaboration". The theme this year is one that the college embraces and utilizes in its studios all year long. It is something we are aware of but are maybe not fully prepared for.

The professional panel will consist of:

David Akers (Pervious Concrete +Sustainable Concrete expert, engineer)

Richard Zimmer (URP Prof, urban design and civic engagement/community relations expert)

Bernard Voelkelt (BOR Consulting; fire risk mitigation / German sustainability pioneer)

Free food, Space activators, and more...
