

ASI SENATE MEETING
Thursday, January 30, 2014

Cora M. Culla
ASI Executive Director's Report

1. SUBJECT: Bronco Fitness Center (BFC) Repurposing Project

DETAIL:

- A kick-off meeting with CPP Facilities Planning and Management, LPA Architects and ASI Directors is scheduled for January 29, 2014.
- The project is being fast tracked so that the space will be ready for use at the start of Fall Quarter 2014.
- The BFC is scheduled to close on June 16 and construction is scheduled to start on July 1.

2. SUBJECT: Energy Use Assessment for Bronco Student Center (BSC)

DETAIL:

- The Summary Energy Use Assessment final report is scheduled to be issued by the end of January.
- In October 2012, ASI engaged LPA, Inc. to evaluate the existing energy use of the BSC and to develop and evaluate measures that can reduce the energy use and cost associated with the facility.
- The scope of LPA's work included:
 - a. Evaluation of four years of past energy use and energy cost data, provided by BSC staff
 - b. Review of design documentation for the BSC;
 - c. Tour of BSC facilities and identification of energy efficiency opportunities;
 - Development of specific and general recommendations for improving energy performance of the BSC.

The energy assessment efforts were conducted in conjunction with a larger review of the uses of the BSC and master planning for the future of the facility. The energy assessment information gathered provides the design team with a framework for recommending energy efficiency improvements for both the short and long term needs of the BSC. The overall goal is to reduce long term energy use and facility operations costs

The proposed energy efficiency improvements are intended to be flexible and adaptable as the BSC uses and needs evolve over time.

- In partnership with Student Health and Counseling Services, "Monday Mile" is a new spin on Walking/Jogging Hour. Free for all participants, a one mile course has been mapped out and tracking mileage is encouraged in order to be eligible for various prizes.
- The Triathlon is scheduled to be held the week on February 3rd with the swimming leg of the event to take place in the new BRIC pool.
- Three Campus Rec Student Staff members have been asked to support the NIRSA Region VI Basketball Tournaments at Eastern Washington University February 21st through the 23rd.
- BRIC exterior (stone, metal and glass) is well underway.
- BRIC furniture and fitness equipment are in final stages of approval.
- BRIC tours will take place during Homecoming Weekend – February 8th from 2pm to 3pm. Additional tours will take place during March's First Friday RecFest, kicking off the countdown to the grand opening.

SENATE MEETING REPORT

Jared Tolbert
Ag Senator/ Senator Pro Tempore

Senate Meeting
~~~ January 30, 2014~~~

1. Pizza with the Provost:
 - a. This past meeting, we hosted a pizza with the provost event to get student feedback regarding the quarter to semester conversion. The dialogue ended up taking up the entire meeting time, so I was unable to give my ASI report orally, but I sent my report for the clubs to review electronically.
 - b. Some feedback received was the concern that this “extra” time to absorb information could end up really being wasted because there is less pressure to accomplish things in a short amount of time. This was feedback from a student who transferred from a semester system and truly preferred the quarter system.
 - c. One question asked was if the number of labs would be affected? Due to the hands on learn by doing curriculum we’ve had is really what’s been most effective for Agriculture majors.
 - d. Another topic brought up was if the polytechnic spirit would stay with the new curriculum.
 - e. One conflict that came up was seasonal classes and how they’d be affected. Especially those that are only offered once every two years, making it difficult to acquire classes.
 - f. Students raised the question if class capacity would increase since we would have some seasonal classes? And since less classes would be offered per year, class capacity needed to increase to accommodate the number of students trying to graduate.
 - g. A question of winter intersession would be implemented? This was brought up by a student who had previously attended a semester system school and claimed that those intersession were the only way she could attain the classes needed to transfer in a timely manner.
 - h. The provost made the suggestion that the number of sections may increase.

2. Homecoming:
 - a. The deadline for food sale was last Friday. A few clubs have contacted me about participating. I was able to get an extension until Wednesday due to my poor communication with La 'Keisha. I also wanted to get an assessment of which clubs and organizations would like to participate in the decorating competition.
3. Strategic Plan:
 - a. I was going to go over ASI's mission statement, vision statement, and values and get feedback on what everyone felt could be changed.
4. Shadowing:
 - a. I was going to make an announcement about shadowing a student leader to know what it's like to be involved in ASI.

Senator Pro Tempore

1. Recommendation:
 - a. Recommendation to the Senate regarding the Guest policy was passed through Facilities and Operations
2. At Large Student Representative:
 - a. I am still searching for the final at large student representative position. I will be holding interviews for the rest of this week and next week as the applications come in and expect to appoint someone by February 10.

SENATE MEETING REPORT

Martin Mares
ENV Senator

Senate Meeting
~~~ January 30, 2014 ~~~

1) ENV Conference | February 27, 2014

We are currently in the process of finding volunteers. Each club in college of ENV is required to have club members to volunteer.

2) APSA Space activator/ Dale Prize

The American Planning Student Association is hosting the ENV space activator this quarter, and they are having an outdoor panel discussion at the ENV Cafe on Thursday, January 30th from 12-1 (u hour) regarding public policy, the built environment, and public health.

Two panelists, Manal Aboelata MPH and Dr Randal Henry MPH DrPH (a CPP Alum!), are leaders in community development and public health. Manal Aboelata is the managing director for the Prevention Institute, and Dr. Randal Henry is the founder and chief executive for Community Intelligence.

It is the Thursday before the URP Dale Prize event, and ties in nicely with this year's theme of "We are What We Eat: Food Systems and the Healthy City." Refreshments will be provided.

3) Strategic Plan

Major points

-motto still holds true -Students would like more awareness towards bike lanes

-students want ASI in more part of the campus, they feel that they do not go in areas, such as, the IDC or near Building 7
