1. 10 Year Anniversary
 - i. There is no more dance.
 - ii. It will be the carnival.
 - iii. It seems wasteful that we spend \$3,000 for a Ferris wheel.
 - iv. This will be during midterms.
 - v. We don't have all the chairs.
 - vi. Not everyone will put their all into this event.
 - vii. Although we must account for overspending, we need to cut the budget.
 - viii. This event is huge, but how can we put everything together?
 - ix. It is decided that we will no longer have the 10 Year Anniversary.
 2. Chairs' Themed Meetings
 - i. We have enough meetings left where each chair can have a meeting and create the theme.
 - ii. It will begin next week.
 3. Greek Week
 - i. They want buttons and handbills for marketing.
 - ii. They want to hire a DJ for \$300 flat rate per day. They need a DJ for two days.
 - iii. The big day is Friday from 6- 11 PM in the Bronco Commons. The DJ will be the MC.
 - iv. We can have a table at the event and do something at the event.
 - v. The marketing will cost around \$50.
 - vi. Some chairs think that they should find the DJ. There are many within the Greek System.

- vii. There is a difference between co-sponsoring and a partnership.
- viii. How can we partner with them for the event?

Information Items

1. Marketing
 - i. The advisors met with GAS and the work orders have been going on without advisors' signatures
 - ii. Remind everyone that the advisors should have their signatures as a confirmation on all work orders.
2. BEAT Budget
 - i. Last year, \$82,000 was allotted and \$36,000 was not spent. So, we had \$120,000 this year.
 - ii. We spent money on Bronco Fusion, NACA, merchandise, and other events.
 - iii. We must earmark money for housing programs.
 - iv. We removed the flexible spending to make up the difference for last year's budget.
 - v. We were one of the organizations that had to redo the budget.
3. Waivers and Releases
 - i. Each chair will receive a liability form and it's their responsibility to have their committee members fill them out when they work at each event.
 - ii. Give them to RPM to hold the information.
