POMONA, Calif. — Associated Students Incorporated (ASI) has announced that Jonathan Fitzhugh has been selected for the position of interim director of financial services. Fitzhugh has six years of experience in accounting services, and comes equipped with a wealth of knowledge in financial planning and budgeting.

“Jonathan is a welcome addition to the ASI Leadership Team with his audit, senior level accounting and financial management experience,” ASI Executive Director Cora Culla said.

Fitzhugh received a Bachelor of Science in accounting from the University of La Verne and is a licensed certified public accountant. He previously served as the accounting supervisor of fiscal services for Lake Elsinore Unified School District and has held senior accountant positions for ONE-Distribution and Vicenti, Lloyd & Stutzman LLP.

In his new position as interim director of financial services, Fitzhugh will be responsible for the management of the day-to-day functions for all facets of ASI accounting, fiscal and payroll operations and accounting/fiscal functions for student organizations as well as contracted university fund accounts. The payroll functions include the administration of payroll for non-student staff and student employees and compliance with payroll reporting requirements.

“I am excited about this opportunity to serve ASI and its stakeholders. This position provides a great opportunity to use my experience as an accounting professional to support the financial services department, provide excellent leadership and enrich the college experience of the students,” Fitzhugh said.

###

ASI is a non-profit corporation that provides facilities, programs and services to students as well as student representation at the campus level and the California State University system-wide level. ASI is comprised of student leaders, student staff and professional staff. A majority of ASI programs and services are run by students and guided by full-time staff, fulfilling the motto of “students serving students.” For more information about ASI, visit asi.cpp.edu.
