

**ASI SENATE MEETING**  
**Thursday, May 21, 2015**

**Cora M. Culla**  
**ASI Executive Director's Report**

**1. SUBJECT: Campus Recreation – Scuba Trip Recap**

**DETAIL**

- The Scuba Program had 18 students participate. Sixteen students trained for their Open Water Scuba Certification, one trained for his Advanced Open Water Certification, and another trained for his Deep Diver Specialty Certification. All three courses consist of knowledge development via classroom sessions (assignments, quizzes, final exam), confined water sessions (practice in the pool), and open water sessions (diving skills in the ocean).
- Scuba gear was rented from Signature Scuba in Rancho Cucamonga and the boat “Conception” was serviced through Truth Aquatics. Students resided on a live-a-board boat for 48 hours while completing the open water portion of the course. These ocean dives took place in the Channel Islands on the southwest and northeast sides of Santa Cruz Island.
- Aquatic creature sightings include a Sunfish (mola mola), batfish, baby horn sharks, Garibaldi damselfish, seals, sea lions, whales, pods of dolphins, many wrasse, starfish, sea urchin, anemone, various crabs, octopus (night dive), and lots of kelp.
- After the certification requirements were met, many divers also explored the underwater opening of a cave on the northeast side of the island.
- Depending on the certification course, students paid \$245-\$275 each for the certification course including weekend trip.

~~~5/21/15~~~**

---

1. Subject: Ag Land Preservation
  - a. Ag Council has written a letter to Cal Poly Pomona's administration formally sharing our opposition to the land development on the horse pastures.
  - b. I have sent the letter to all of the councils asking for endorsements.
  - c. Thank you to ENV, CLASS, UBSS, and Greek who have already decided to endorse our letter!
2. Subject: Pizza with the Dean
  - a. Both Dr. Holz-Claus and Dr. Kessler attended the Pizza with the Dean this week. They answered multiple questions that the students had, while the students enjoyed free pizza.

### Personal Goals Status:

1. Subject: ASI Tip of the Week
  - a. Posted in Ag building and on Ag Council Facebook page every week. I'm currently looking for more ideas on what information would be valuable to share with clubs and students.

2. Subject: Animal Units Access

- a. After meeting with a professor that teaches at the animal units and the head of the Animal Science Department, I was directed to meet with the Director of Parking and Transportation Services, Michael Biagi. After meeting with him, I have received some insightful background information about the safety issues with classes at the Animal Units. So far, I have received full support of this project by each person I have met with.
- b. I have met with Daniel Johnson, Director of Facilities Design & Construction, who has said he will take the information I gave him and present it to his team. If they decide not to take action, I will begin working on more ways to bring attention to the issue.
- c. I have followed up with Daniel Johnson, but he has not been able to present my idea yet.
- d. I have asked Michael Biagi to keep the animal units Bronco Shuttle stop in mind when entering a new contract with a newly selected Shuttle Contractor, MV Transportation.
