**ASI SENATE REPORT**  
Thursday, October 15<sup>th</sup>, 2015

Brandon Whalen  
College of Environmental Design Senator

**1. Subject:** Resignation of Director of Programming

**Detail:** Unfortunately, our Director of Programming (Scheduler) resigned due to personal reasons. We are currently taking applications. Abigail Robles, the ENV Council President, is the person of contact ([agrobles@cpp.edu](mailto:agrobles@cpp.edu)) for any of those who are interested. Our Director of Publicity is working on making a graphic to advertise the opening. Link to flyer:  
<https://instagram.com/p/8xB8nKlqUN/>

**2. Subject:** Master Calendar

**Detail:** The ENV Council Executive Board had a meeting to create a draft of a master calendar for the year. We later presented this to the general council at our first council meeting. We asked the club representatives to take the draft to their clubs and see if there are any changes, conflicts, or comments that will be addressed at the next meeting.

**3. Subject:** Debrief of Events (So far)

**Detail:** ENV E-board discussed the events so far this year: Summer Orientation Fairs, BroncoFusion Club Fair, ENV Potluck, and Buns and Wieners Fall Mixer. This was a chance to bring up aspects of each event's success, what we could have done better, and what we would suggest for next year's council.

**4. Subject:** First ENV Council Meeting

**Detail:** Successful held the first meeting of the new academic year. All registered club's representatives attended and were on time. It was held in Building 7 in the old ENV Library (7-100). I introduced Robert's Rules to the club representatives and provided a chart for future reference. ASI Secretary of Internal Affairs, Uriah Sanders, attended the meeting and expressed excitement to come to future meetings and events. Our advisor announced that the Dean's Office will hold the first "Dessert with the Dean". Inspired by the College of Agriculture and

possibly due to my suggestion of such an event to our advisor, the Dean will have an informal mixer that will provide desserts as well as a Q&A session. They hope this will become a quarterly event.

**5. Subject:** Meeting with the Dean

**Detail:** I have been in contact with the Dean of the College of Environmental Design, Michael Woo, in an attempt to find solutions to our parking concern on campus. I have also been researching ways in which ASI will be able to support Dean Woo. I will seek out my council's support in the near future. I will be reaching out to all of you in the near future about what I find!

**6. Subject:** Art Students Representation

**Detail:** I am frustrated that not all of the majors in my college are represented in the council. The Art Students Alliance (ASA)/ American Institute for Graphic Arts (AIGA) were clubs that use to sit on the council, however, this past year there was a falling out and the club has unfortunately not registered for this academic year. I need to find other ways to provide outreach to those students. I have contacted the club's old advisor as well as OSLCC and have not received a response back about my concern. It is disappointing that the club didn't organize and continue on for the next year. I want to do something about this because my main goal for the year is to create strong relationships with the council and the college and that includes helping the clubs of all majors.

**7. Subject:** Organizing

**Detail:** I recently cleaned my [asienvsenator@cpp.edu](mailto:asienvsenator@cpp.edu) inbox. I created organized folders and I highly advise all of you to do the same!

He mentioned that he could not locate the link and asked if it still existed. We did not know the answer so I will bring this up at our next council meeting.

- A sports club representative asked if it would be possible to have a Sports Council since there are enough clubs to create one.

**4. SUBJECT: SIC Concerns**

- We are concerned with the amount of sports clubs we have under our council for the reason that they each are asking for about four to eight thousand on their budgets. We are concerned that we might not have enough money so we have decided to set up a meeting with CK in order to sort this out.
