POMONA, California — Associated Students Inc. (ASI) has announced that Carol Lee has been appointed to the position of director of financial services. Lee has 21 years of experience in financial planning and management, development of financial procedures, budget planning and analysis as well as eight years of service in student affairs on our campus.

“ASI is excited to have Carol provide the leadership to Financial Services and join our Leadership Team on December 14. She brings a wealth of financial expertise and student affairs experience with her,” ASI Executive Director Cora Culla said.

Lee received a Bachelor of Science in finance and accounting from UC Berkley. She previously served as interim budget manager for the Division of Student Affairs and the Children’s Center at Cal Poly Pomona. Lee has also served in accountant and financial analyst positions.

Lee will be responsible for managing the organization’s accounting, budget and fiscal functions. In addition to management of the day-to-day accounting functions, Lee will provide oversight of accounting operations for student organizations, contracted university fund accounts and ensure compliance with all agency regulations.

“My eight years in Student Affairs has made me very passionate about serving students, so I’m excited to be joining a student-centered organization like ASI and making a more direct impact on students. I look forward to working with a very dedicated Financial Services team while continuing the partnership in a different capacity with many familiar colleagues,” Lee said.
