Magic Show

(Sydney & Iram) Choosing name of the show between 'Abracadabra', 'The Great Magic Show, etc. Suggestions include having student performers during u-hour and main act during event. Roaming Magicians.

Puppies in the Park

(Sydney) Puppies in the Park (and cuddling with kittens). See whether or not its best to have both puppies and kittens on one day or one on each uhour of the week. Reconsidering date as well due to another U-hour event conflict.

CPP's Got Talent

(Hana and Andrew) Event date pending as it may be during homecoming, but conflicts with basketball game may hinder attendance.

Speed Friending

(Isolde on behalf of Xyrine) Event to set up timed group setting while providing refreshments and getting to know people in a group you are placed in. Location is planned to be in a rotunda area in the bsc.

You Make My Heart BEAT

(Jeff on behalf of Xyrine) Event to take place at U-hour on the Thurs. before Valentine's Day. Idea is to celebrate love and not specifically Valentine's Day. Pass out goodie bags, flowers, candies, etc. just to brighten up

someone's day and show they are cared about. Might be able to have event work with another that takes place on that day.

Brownies w/BEAT

(Aivan) Would like to provide more variety at Brownies with BEAT and not just brownies to better cater towards a broader audience and for those who may not like brownies.

BRIC Pool Party with DJs

(Andrew) Working title. Andrew and Iram to meet with Ginny after meeting to discuss logistics of event.

Midnight Madness

Theme has been set to 70/80s and is currently in the works of search for vendors, attractions and diy items.

State of Our Community

(Marisol) Finalizing details on days, locations, and times with James.

Movie Night at the BRIC

Justin showed trailer of rock climbing documentary and is seeking help from BEAT to plan the event. Would like to make it interactive and have old school climbing's come out to tell their stories.

TEDx Event

All agreed that event would interfere too closely with midnight madness setup. Unanimous vote to deny request of using ursa major and minor for event but will assist in searching for alternate venue.
