**VII. SPONSORSHIPS/PARTNERSHIP**

**VIII. ADJOURNMENT**

Not only will blowing up a balloon make you smile a bit, which is also known to reduce stress, but inflating a balloon forces you to deep-breathe. So next time you go to your office, place a few balloons in your drawer and remind yourself to blow one up whenever you are beginning to feel stressed. And when people laugh at you, just know you are also helping them reduce stress by making them chuckle.
