2. SUBJECT: Children's Center Updates

DETAIL:

- The Children's Center students were able to share their art work with the campus through a "Week of the Young Child" Art Exhibit in the BSC rotunda room. At the reception held 4-20-16 the children visited the display and were thrilled to see their art. Please stop by to see the children's art and to read what they said about their work.
- On 4/19/16 both BEAT and Cabinet student volunteers came to the Children's Center to spend time working with our children. They used old materials to create new and exciting outfits- the children were especially fond of the capes and masks! The children loved the special attention and fun was had by all.
