3. SUBJECT: ASI Financial Services Updates

DETAIL:

Independent Audit

Our auditor will be on site from May 23rd – May 25th to conduct pre-closing audit. The audit firm VLS will be undergoing a merger with CliftonLarsonAllen, or CLA, and effective this July, their name will change to CLA.

4. SUBJECT: Children's Center Updates

DETAIL:

Earth Day at the Children's Center was a time for the children to plant and update their gardens. The children also were asked to sort recyclable materials... what is paper? What is aluminum? What is plastic? It is amazing how long children will "pick up trash" and figure out which trash can it goes into. I think their favorite part, however, was dumping out the trash... over and over and over again!

Today was our first day having CPP students from the music department coming to sing songs with our children, and show them basic warm up exercises, such as sirens, hiss, do mi sol, shake out and a lip trill. This is the beginning of an exciting new partnership which we hope will benefit both our CPP students and the children at our center.
