Cora M. Culla
ASI Executive Director's Report

1. SUBJECT: Student Activities and Programs Updates

DETAIL:

TONIGHT - PostSecret Live!

ASI Student Activities and Programs, Student Health and Counseling Services, and Active Minds are collaborating to host *PostSecret Live!* with creator Frank Warren on May 18 from 6pm-8pm. PostSecret is an ongoing community art project where people send their secrets anonymously on a postcard. The secrets are inspirational to those who read them, have healing powers for those who write them, give hope to people who identify with a stranger's secret, and create an anonymous community of acceptance. Come check it out!
