

**ASI SENATE MEETING**  
**Thursday, July 27, 2017**

**Dr. Liz Roosa Millar**  
**ASI Executive Director's Report**

**1. SUBJECT: Financial Services Updates**

**DETAIL:**

- Financial Services has completed 2016-17 year-end closing last Thursday and will be working with the auditors this week for the annual fiscal audit.
- Disbursement Request (DR)/check processing will resume this week.

**2. SUBJECT: Children's Center Updates**

**DETAIL:**

- With all of the summer heat the children have been busy doing lots of water play. The sprinklers are one of their favorites, with some children just wanting to get a few sprinkles, while others come out soaking wet. We are fortunate to have a beautiful outdoor classroom, where our children are able to actively explore and experience the world around them first hand.
- Our school age Kids University children have been especially enjoying their activities at the BRIC this summer. The swimming lessons, geared to each child's age level are great, but they also love learning new sports and especially being able to climb the rock wall. It has been a physically active and mentally challenging summer for them!

**3. SUBJECT: Campus Recreation Updates**

**DETAIL:**

- In partnership with Orientation Services and ASI Student Activities and Programs, Campus Recreation is hosting the incoming freshmen at the BRIC for Bronco Spirit Night as part of the 9 week series for Freshman Orientation 2017. This is ASI's third consecutive year hosting these evening events – a total of nine events. Each week, we welcome approximately 500 new Broncos to showcase all of our programs and services. Activities include Sing and Spin, Functional Fitness 101, Dodgeball, Indoor Soccer, Badminton, Try a climbs and pool games.

- ASI Campus Recreation SCUBA program participants completed their Advanced Certification and Specialty course trip this past weekend in San Diego. ASI SCUBA Instructors Ginny Templeton and Dan McCarthy certified six Advanced open water students, nine Boat Specialty Divers, and one Full Face Mask diver. They completed the following dives and the corresponding learning activities for their Advanced certification: Deep dive, boat dive, Navigation Dive, Fish ID, and Underwater Naturalist. The participants continued their education completing the Boat Diver Specialty Certification requirements. ASI student Divemaster, Austin Burks, Brenna Murphy, and Kevin Wong, who all just completed their Divemaster Program (professional level certification) at ASI Campus Recreation, worked their first certification trip as Divemasters. The Divemasters led students on excursion dives, ensuring that the participants not only completed the required task, but also did it in a manner that kept the participants safe.
- Thursday, July 20<sup>th</sup> concluded the 2017 Summer Youth Programs at the BRIC. ASI Campus Recreation hosted 51 youth program hours for a total of 9 university youth groups and 341 unique participants (1701 visits) for the summer season.
- Kaycee Tanioka, Intramural Sports and Sport Clubs Coordinator, is representing Cal Poly Pomona at the NIRSA NorCal State Workshop at Sonoma State University on July 27<sup>th</sup> and July 28<sup>th</sup>. She is attending the California Sport Clubs Meeting and CSU Leader Meeting on July 27<sup>th</sup> and the NorCal State Workshop on July 28<sup>th</sup>.
- Ginny Templeton and Krista Smith will facilitate “*Find Your WHY, to Define Your YES and Empower Your NO*” workshop on August 4<sup>th</sup> at the CSUnity Conference providing participants guidance in determining their WHY, HOW, and WHAT in order to establish and meet their goals while managing competing priorities. Utilizing the “Golden Circle” model described in “Start with WHY” by Simon Sinek, the three main concepts will be explored within the context of student leadership. This session will provide time for participants to be guided through establishing their WHY.
