Report on the Financial Statements

We have audited the accompanying basic financial statements of the Associated Students, Inc., California State Polytechnic University, Pomona (ASI) (a nonprofit organization), which comprise the statement of financial position as of June 30, 2016, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the ASI's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the ASI's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

INDEPENDENT AUDITOR'S REPORT

**NOTES TO THE FINANCIAL STATEMENTS
For the Year Ended June 30, 2016**

NOTE 1: ORGANIZATION

Associated Students, Inc., California State Polytechnic University, Pomona (ASI), is a California public benefit corporation which is an auxiliary organization to California State Polytechnic University, Pomona (University). The purpose of ASI is to further educational services and related activities of the students of the University.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of ASI's significant accounting policies applied in the preparation of the accompanying financial statements follows:

Basic Presentation

The financial statements of ASI have been presented in accordance with the Auditing and Accounting Guide for Not-For-Profit Organizations issued by the American Institute of Certified Public Accountants. The guide states that net assets and revenues, expenses, gains and losses be classified based on the existence or absence of donor-imposed restrictions. As of June 30, 2016, ASI did not have any restricted net assets. Accordingly, net assets of ASI and changes therein are classified as unrestricted net assets. The board designates a portion of the unrestricted net assets for specific purposes. These designations are identified in Note 7 and total \$807,482 as of June 30, 2016. Therefore, the undesignated portion of unrestricted net assets total \$6,650,497 as of June 30, 2016.

General

General activities include management of all financial resources of ASI that are not classified in the other activity listed below. Revenues are generated through student fees, student programs, investment of idle cash, rental of office space, and fees for administration of campus related programs, and are recognized when earned.

Bronco Student Center

The Bronco Student Center (Student Center) accounts for activities of the student union building, rental of its spaces and other Student Center related activities within the University community. This includes the activities and operations of the Bronco Recreation and Intramural Complex (BRIC) which began operations the fall quarter of 2014.

Funds Held for Others (Agency Accounts)

Agency accounts (Agency and Instructionally Related Activities (IRA) Funds) represent all funds held by ASI for others. Included are funds administered by ASI on behalf of University

academic and administrative units and other campus organizations which are shown as funds held for others on the Statement of Financial Position. It is management's belief that ASI is acting as an agent for the transactions of these units. Accordingly, the activities of such organizations are not recorded in the Statement of Activities.

Estimates

In preparing financial statements in conformity with accounting principles generally accepted in the United States of America, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements, and revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents and Related Investments

Cash equivalents consist of investments in the State of California's Local Agency Investment Fund (LAIF) and state investment pools with purchase maturities of 201 days or less. ASI is exposed to credit loss for the amount of cash equivalents in the event of nonperformance by LAIF or the state investment pools. However, management of ASI does not anticipate nonperformance by LAIF or the state investment pools. In accordance with ASI's cash management policy, all excess cash is invested in LAIF or state investment pools.

Accounts Receivable

Accounts receivable are stated at unpaid balances, less an allowance for doubtful accounts. The ASI provides for losses on accounts receivable using the allowance method. The allowance is based on the length of time the receivable has been outstanding. It is ASI's policy to charge off uncollectible accounts receivable when management determines the receivable will not be collected. The allowance for doubtful accounts at June 30, 2016 is \$5,709 for General and \$11,596 for the Student Center.

Property, Plant and Equipment

Legal title to the Student Center building and the BRIC is retained by the California State University Board of Trustees. Initial furnishings and equipment for the BRIC were purchased by the University. Accordingly, the related assets and liabilities are excluded from the ASI financial statements. Any purchases following the grand opening of the BRIC are the responsibility of ASI and are included in the ASI financial statements.

ASI capitalizes all furniture, equipment or improvements with a normal useful life of at least one

year and costing \$5,000 or more at cost if purchased, or at fair value as of the date of receipt, if donated. Depreciation is provided for using the straight-line method over the estimated useful lives of the assets, which range from five to fifteen years. Leasehold improvements are amortized using the straight-line method over their estimated useful lives or the term of the lease, whichever is shorter.

Functional Expenses

The costs of providing various programs and other activities of ASI have been summarized on a functional basis in the Statement of Activities. Accordingly, certain costs have been allocated among programs and supporting services benefited.

Income Taxes

ASI is exempt from federal income and state franchise taxes under Section 501(c)(3) of the Internal Revenue Code and corresponding California statutes. Accordingly, no income tax provision has been recorded.

ASI has evaluated its tax positions and the certainty as to whether those positions will be sustained in the event of an audit by taxing authorities at the federal and state levels. The primary tax positions evaluated are related to ASI's continued qualification as a tax-exempt organization and whether there is unrelated business income activity conducted that would be taxable. Management has determined that all income tax positions are more likely than not (>50%) of being sustained upon potential audit or examination; therefore, no disclosures of uncertain income tax positions are required.

ASI files informational returns in the U.S. federal jurisdiction, and the state of California. The statute of limitations for federal and California state purposes is generally three and four years, respectively.

Subsequent Events

The ASI has evaluated subsequent events through September 12, 2016, which is the date the financial statements were available to be issued. There were no subsequent events requiring recognition as of September 12, 2016.

Comparative Totals

The financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a

The ASI's cash balances are exposed to credit risk for amounts exceeding federally insured limits of \$250,000 in the event of nonperformance by the financial institution. The ASI has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk for cash and cash equivalents. The total amount uninsured at June 30, 2016 was \$707,897.

NOTE 4: BRONCO STUDENT CENTER RETURN OF SURPLUS REVENUE FUNDS

Full-time and part-time students of the University are required to pay a fee to service debt related to the construction and operation of the Student Center building and the BRIC. The fees, collected by the University Accounting Office, are deposited in the California State Treasury. The California State University Board of Trustees has the right to first call on these funds for revenue bond debt service requirements and for repairs and replacements of plant assets. The remaining funds are available for use in operating the Student Center and BRIC for the benefit of the students. The transfer of student fees is recorded as revenue in the year in which the fees are remitted. For the year ended June 30, 2016, the fees remitted for the Student Center and the BRIC were \$9,881,000.

A reserve was created for potential future liability in regards to a portion of the Federal Insurance Contributions Act (FICA). This reserve has been set aside and is held by the University. ASI has claimed exemption from FICA based on a Public Letter Ruling issued by the IRS, and the fact that its CalPERS retirement plan provided retirement benefits that are comparable to social security. While the intent is to continue to uphold FICA exemption, ASI may be liable for all, or a portion of, FICA liability.
