Jenny Greenberg
ASI President

1. SUBJECT: Cabinet Confirmation: Officer of Legislative Affairs

DETAIL:

Jason Wong was interested in the position of Officer of Legislative Affairs because of his background as a student in the Political Science Department. He wants to be able to give back to CPP after he graduates, making sure he has a deep understanding of the legislative process and how it can affect students. He has interned with the JusticeCorps and was a Journal Editor for the Political Science Department and now hopes to focus on learning more about the legislative process in a hands-on way. He believes that the people have the strongest voice in the process and wants to ensure that CPP students voices are heard.

2. SUBJECT: Policy Agenda

DETAIL:

During the Student Government Retreat, all of the Student Government Leaders collaborated together to come up with the main points of the Policy Agenda and determined the goals that they would like ASI to work toward this year.
