

ASI SENATE MEETING
Thursday, September 6, 2018

Noah Tonies
ASI Treasurer

1. SUBJECT: Clubs Requesting Additional Money/Funding

DETAIL:

This applies only to the Senators. Although I haven't yet received any emails asking questions about getting additional funding for events/programs I'd like to get a head start on communication. If a club/organization wants additional money for an event make sure that they ask their council for money first. If they come to me asking to present in a Finance Committee meeting for more money the very first question I will ask is if they have already received money from their council and how much they received. It hasn't been an issue yet but I am trying to prevent it from becoming an issue.

SENATE MEETING REPORT

Rachel Hunter
Senator Pro Temp
SIC Senator-At-Large
September 6, 2018

1. Subject: SIC

Details: SIC had their first council meeting on Friday August 31. It was a good turnout and we have several new clubs.

I have meetings with some of the newer clubs, like the Young Democrats, to go over resources that ASI can offer them as well as help them with their budget as I have some Treasurer experience. I have offered to several clubs to meet with me so I can give them some of my expertise.

SENATE MEETING REPORT

Rocio Antonio
CCHM Senator
September 6, 2018

1. Subject: CCHM Council Meeting

Details: The first meeting of the year was held this past Tuesday, August 28th. We discussed the upcoming Welcome Back BBQ coming up for our students and how to encourage other students to attend. In addition, we guided the clubs through the process of going on property tours within the hospitality industry. The next CCHM Council meeting will take place next Tuesday, October 11th, from 12pm to 1pm in the Wine Auditorium.

2. Subject: Disability Resource Center Event

Details: Next semester the disability resource center will host an event to provide a platform for students who have overcome their disabilities and wish to share their stories with our campus. I have been communicating with a delegate from the center and with the rest of the Hospitality Management Council (HMC) to contribute to the event.

3. Subject: Communication with Clubs

Details: A few club presidents have been reaching out to me about getting permission to have food at their meetings and about receiving money from the Administrative Fund through ASI. By meeting with Senator Pro-temp Rachel, she provided a senator reference sheet which helped me answer the clubs questions and increase ASI's presence within HMC.
