Associated Students Inc.

Action Plan

asi.cpp.edu

The 2020-2021 ASI Action Plan is dedicated to our dynamic, resilient, and astonishing student body who has endured trying times. Your resilience and will encouraged us to advocate in larger spaces, tackle difficult conversations, and ensure that all students feel empowered at Cal Poly Pomona. At the end of the day, our calling, purpose and passion is to serve our students.

Glossary 19

DOMAIN 1 ASI

Domain 1 covers items that are internal to ASI which enables us to accomplish most, if not all of them by the end of the year.

Student Needs

Poly Pantry

Expand the Poly Pantry to include *PPE, food drives for fresh produce, and ways to help funnel CalFresh applicants

Resource Awareness

Add more resource postings to the ASI website to include information for Basic Needs and reporting information for Title IX

ASI Evaluation Survey

Create and disseminate assessments of the thoughts and feelings of the student community regarding ASI's fulfillment of its stated mission

Student Involvement

Zoom Club Fairs

Assist councils to organize virtual club & organizational fairs

Transparency

Educate students on the usage of their student fees and the processes of ASI governing, advocacy, budgeting, and programming

Civic Engagement

Summarize election and census information on various platforms, as well as outreach to increase civic education and engagement within underserved populations

Student Success

The Student Success Fee

Develop a proposal to reshape the Student Success fee to benefit current student needs and to address anti-racism

Mental Health Landscaping and Architecture

Facilitate discussions regarding potential spaces throughout ASI facilities to focus on mental health

“Life After” Workshop Series

Create and facilitate workshops to focus on financial literacy, personal finances, and career readiness during and after the collegiate experience

DOMAIN II

Allyships

Domain 2 covers items we will be working on with our campus partners as these areas are not overseen by ASI. Within the year, some will be accomplished while as others may need more time.

Student Needs

Counseling

Partner with *CAPS to increase the ratio and presence of counselors across campus with the possibility of exploring an increase to the Student Health Service fee and, ensure the team of counselors reflect the student body, along with reimagining on-campus wellness checks

Food Usage

Collaborate with University Foundation to expand the existing meal swipes program and funnel leftover food to students

Emergency Housing

Collaborate with the Bronco Cares Basic Needs Program to support *Rapid Re-Housing and *Bridge Housing Program in partnership with *Jovenes and create additional housing initiatives that include family housing

Student Involvement

Local Outreach

Partner with the Center of Community Engagement to participate in initiatives that improve local communities

Club Processes

Assist *OSLCC with club registration and space reservations while increasing awareness of the *Corq app

Campus Inclusivity

Partner with the Inclusive Excellence Council to review and analyze procedures as it relates to reporting harassment, as well as submit student ideas to increase inclusivity across campus areas

Student Success

Advising Services

Collaborate with Bronco Advising Center to determine the support needed for additional appointment slots and reevaluate the Degree Progress Report

Academic Senate

Facilitate working relationships with the Academic Senate and the student community which include creating policies that benefit all students and increase the awareness of Academic Senate's purpose and action

Transfer Resources

Promote visibility and marketing that is inclusive for transfer students, and increase transfer resources to allow a greater percentage of transfer student participation

DOMAIN III Advocacy

Domain 3 covers long-term projects that we will continue to advocate and support. These include longstanding issues from previous administrations and more recent items that will require a foundation.

Student Needs

Transportation

Advocate for additional shuttles for the Metrolink and overflow lots, the initiation of the Class Pass, and increased walkability to accommodate all students

Fossil Fuel Divestment Campaign

Advocate for a withdrawal from fossil fuel investments throughout the CSU system

Title IX

Advocate for funding to hire and train additional investigators and for the reversal of the Department of Education's new federal guidelines

Student Involvement

Verification of Eligibility

Advocate to remove the maximum unit limit for students to be eligible to participate in leadership positions at Cal Poly Pomona or the CSU system

Increased Resource Centers

Advocate for additional diverse student resource centers including but not limited to the *MENA Center and student-parent center

CSU Racial Justice

Advocate for required training on equity, inclusion, and anti-bias for all CSU members as well as police reform and oversight by students

Student Success

Campus Landscape

Advocate for more outdoor spaces to study across campus and student-centered development for the *Lanterman Project

Career Fair Diversity

Advocate for an increased diversity of companies at the career fairs for different colleges

Scheduling Classes

Advocate for additional funding to increase the number of classes and class times offered specifically for non-traditional students and bottleneck courses

Glossary

Bridge Housing Program: Housing where individual students will be placed in shared spaces in locations close to campus

Cal Fresh: The largest food program in California, known federally as the Supplemental Nutrition Assistance Program or SNAP. This program provides monthly food benefits to individuals and families with low income and provides economic benefits to communities

CAPS: Counseling and Psychological Services

Corq App: Corq allows college and university students to discover events, groups, and opportunities around campus from their mobile device

Jovenes: An organization that CPP Basic Needs is collaborating with to bring long-term housing solutions for students in need

Landterman: About 300-acres south of campus bought by Cal Poly Pomona to potentially develop into a community that allows people to live, learn, work and, play

MENA Center: Morocco, the Middle East, and North Africa (CPP International Center)

OSLCC: Office of Student Life & Cultural Centers

Poly Pantry: Located in the BSC, the Poly Pantry was opened in 2019 to serve students impacted by food insecurity. The Poly Pantry provides access to food, basic necessities, and referrals to campus and community-based resources to maximize student success

PPE: Personal Protective Equipment

Rapid Re-Housing: Allows student parents and students with dependents/spouses to be able to locate housing and seek assistance in rental fees
