FLAG FOOTBALL RULES

THE GAME

1. **GAME TIME EQUALS FORFEIT TIME.**

2. In forfeited games, the score will be recorded as 21-0. In ALL cases of forfeits, individuals present at the game site need to still check in with the official/scorekeeper to receive participation credit.
 - A. If one or more team members are present but don't have the minimum to start play, the team ready for play can decide to take the forfeit win or they can choose to wait up to **15 minutes past scheduled start time** for the other opposing team members. The opposing team will be penalized by the following.
 - i. Every 5 minutes past game time (**Up to 15 minutes**) will result in 7 points for the team ready for play. So, if the teams other players show up 10 minutes after, the team ready to play will begin the game up 14 to 0, and the half will only be 10 minutes.

3. **PLAYERS:**

- A. **Only players on the official team roster and score sheet can participate in the game.**
- B. Player can check in the game at any time during their scheduled game time.
- C. Seven (7) players shall constitute a team. A game may be played with a minimum of four (4) players.
- D. Unlimited substitutions permitted during any dead ball situation.

4. **CLOCK MANAGEMENT:**

- A. There are two 18-minute halves with running time.
- B. Clock stops the last two (2) minutes of the second half for the following situations: an incomplete pass; when the ball carrier goes out of bounds; on the first down until the official has placed the ball for the next play; after touchdowns and during P.A.T.'s; (Points After Touchdowns are untimed downs) on changes of possession; on penalties; and on time outs.
- C. Two (2) 1-minute time-outs per half, per team, are permitted. Time-outs will stop the clock at all times. Unused time-outs do not carry over into extra periods.

5. **MERCY RULE:**

If a team is down by 19 or more points (25 or more for Co-Rec) at the two-minute warning, or at any time after the two-minute warning in the second half, the game will be called.

6. **CAPTAIN'S MEETING:**

- A. The game shall be started by a coin flip for choice of "Kick, Receive or Defer" and "Goal to Defend." Home team calls on the coin flip. The winner of the pre-game coin toss shall have the first choice of offense/defense (kick or receive). The loser of the coin toss was choice of which goal to defend. If the winner chooses "the ball" (be on offense first), they will have the ball first down from the 14 yard line (there will be no kick-offs at any point). If a team chooses to defer until the second half, then the opposing team should choose the ball (if you choose to defend, your team runs the risk of not getting the ball for either half).

7. **PROTESTS:**

A team captain may protest an interpretation of rules, but may not protest a judgment call by the official. At the time of the protest, the protesting team shall inform the official, the Supervisor, and the opposing team captain immediately.

8. **PLAYING FIELD:**

- A. The playing field will be 100 yards long and 40 yards wide with yard markers dividing into four equal zones of 20 yards.
- B. The end zones will be 10 yards deep and 40 yards wide.

9. **OVERTIME: TIE BREAKER**

- A. All overtime periods are played toward the same goal line.
- B. Each team will start 1st and goal on the 20-yard line and the goal line shall be the line-to-gain in overtime. The object will be to score a touchdown. The overtime shall consist of a series of 4 downs by each team.
- C. During the regular season, there is one overtime period. If the score is still tied after one overtime period during playoffs, play will proceed to a second period or as many as are needed to determine a winner.
- D. If the first team which is awarded the ball scores, the opponent will still have a chance to win the game. Unless moved by penalty, they will start 1st and goal.
- E. If the defense intercepts a pass and returns it for a touchdown, they will win the game. If they do not return the interception for a touchdown, the series is over, the ball will be placed at the 1st and goal for the team that intercepted the ball unless said team was on offense first, scored during their series of downs, and made the interception while on defense—in which case the overtime period and game would be over.
- F. Each team is awarded one timeout for the **entire** overtime period.

 2. The last play of the game must be free from foul by the defensive team. Games can and will end on offensive penalties.
 3. Any time the ball hits the ground, it is a dead ball (fumbles, dropped pass, muffs); **Exception:** A punt may roll on the ground and be picked up by a receiving player. If the ball touches the receiving player and then hits the ground then the ball is dead at the spot.
 4. A player is out of bounds when he touches on or outside of the boundary line.

- B. NO forward lateral may be made by any player—offensive or defensive player (during a reception, kick return, interception or fumble caught out of the air before hitting the ground). **PENALTY:** Illegal Forward Pass; 5 yards from spot of foul and loss of down; Exception: If defense intercepts a ball and then is flagged for an illegal forward pass, the team will be penalized 5 yards from the spot, but will still start on first down (A team should never start an offensive series on second down).

A team may play with uneven numbers of men and women so long as the difference between genders does not exceed 2. A minimum of five (5) players is needed to begin and continue play.
2. Open/Closed Plays- After any change of possession, a team will begin their offensive series with an "open" play. In "open" plays, any gender passer may complete a pass to any gender receiver. During a "closed" play, either the passer or receiver (or both) **MUST** be a female if the pass is completed.
3. During the offensive team's possession there may not be 2 consecutive forward pass completions from a male passer to a male receiver. If a male passer completes a forward pass to a male receiver, the next play will be closed. During a closed play, the next forward pass completion must involve either a female passer or a female receiver for positive yards. If a female is involved as the passer and/or receiver during a completed legal forward pass for positive yardage, the next play will be open. A running play or any other play where a forward completed pass is not involved will not open the next play. The spot where the ball becomes dead must be beyond the offensive team's scrimmage line. This rule also applies to the try-for-point. Penalty: Illegal Forward Pass, 5 yards from the spot where the second consecutive male to male completed forward pass is released, and a loss of down. Any penalty, whether accepted or declined, shall have no effect on whether the play from scrimmage is "open" or "closed".
4. Male ball carriers are prohibited from advancing the ball across the offensive line of scrimmage without a legal forward pass (this rule does not apply after a change of possession). Penalty: Illegal Procedure, 5 yards from the previous spot. Once there is a legal forward pass, anyone can advance the ball across the line of scrimmage.
5. A regular, intermediate, junior or youth size football may be used. The offensive team is responsible for getting the desired ball in play.
6. The offensive team must have 1 player on the line of scrimmage, including the snapper. If a player is in motion, he/she is not considered to be on the line of scrimmage.
7. During a punt, the offense must have 1 player on the line of scrimmage. Players can not advance beyond the scrimmage line until the ball is kicked. Males may advance the ball on a punt.
8. If a female player scores a touchdown, the point value is nine. If a female player throws a legal forward pass and the end result of the play is a touchdown for that team, the point value is nine. All other touchdowns will be worth six points.
