GLOSSARY  13
Acknowledges our students’ needs and creates avenues to help the Cal Poly Pomona community build an inclusive atmosphere where students can succeed.
STUDENT NEEDS

STUDENT INTERACTION
ASI aims to provide open channels of communication such as social media, emails, and surveys to increase interactions between ASI and the CPP community.

ENGAGEMENT
ASI commits to continuously encourage students to be involved in CPP’s on-campus activities.

STUDENT INVOLVEMENT

RESOURCE AWARENESS
ASI will help to inform students about resources and programs within the ASI and CPP community.
STUDENT SUCCESS

OPEN DIALOGUE WITH STUDENT LEADERSHIP

Student Government will provide opportunities where students in positions of leadership at CPP will be able to have open conversations between one another and the greater student population.

ORGANIZATION

TRANSPARENCY

Student Government will provide bi-weekly updates on the official ASI Instagram account as well as a monthly Q&A to keep students informed on updates within ASI and the campus community.

BSC REFRESH

ASI commits to improving the BSC to encapsulate student needs.

AN IMPROVED ASI

ASI will continue to transform into a learning organization by demonstrating our commitment to promoting racial equity.
Involves collaborations with campus organizations and external organizations that will cultivate student success, involvement, representation, and upward mobility.
STUDENT NEEDS

MEANS OF TRANSPORTATION

ASI will partner with organizations to expand and promote CPP’s alternative transportation methods on and off campus.

BRONCO ESSENTIALS

ASI will strive to destigmatize the notion of accessing resources relating to basic needs and insecurity as well as allocating assets toward existing programs.

EDUCATION OUTREACH

ASI will enhance its brand identity on campus by educating students about the purpose of and all of the resources offered through the organization.
STUDENT INVOLVEMENT

LEARN-BY-DOING
ASI will expand on- and off-campus internship opportunities to be meaningful, hands-on experiences.

CLUB COLLABORATION
ASI will work directly with SELS (formerly OSLCC) to reinvent the student club and organization support model.

INTRODUCING CPP IN 2022
ASI will promote different forms of assistance such as maps, scavenger hunts, and information booths to bring familiarity to the CPP campus amid COVID-19.
STUDENT SUCCESS

LIFE AFTER COLLEGE
ASI will reinforce its alumni network while providing financial and life-skill workshops.

LIFE DURING COLLEGE
ASI will promote CPP’s mentorship programs, create spaces where students feel safe and supported, and gather information to promote successful campus life during college.

HIGHER EDUCATION
ASI aims to promote post-graduate opportunities and workshops while also bridging the gap between undergraduate and graduate students through peer-mentorship programs.

INTERNATIONAL CAREER ACCESSIBILITY
ASI intends to work with the Career Center to increase accessibility of jobs and post-graduation opportunities for international student success.
Domain III: Advocacy

Advocacy

Encompasses uplifting our community through active representation and support of basic needs, sustainability, and collaboration.
STUDENT NEEDS

MENTAL HEALTH
ASI will strive to educate the CPP community on resources available to them to encourage a state of mental well-being, a sense of security, and inclusivity.

STUDENT INVOLVEMENT

SCHOOL SPIRIT
ASI will advocate for accessible activities, encourage attendance at events, and create an immersive experience that promotes school spirit on and off campus.

CULTURAL APPRECIATION
ASI will work to appreciate and welcome all cultures throughout the CPP community.
STUDENT SUCCESS

STUDENT REPRESENTATION
ASI will advocate for underrepresented populations of the CPP community.

ORGANIZATION

SUSTAINABILITY
ASI will advocate for a more sustainable on- and off-campus lifestyle by promoting green initiatives, products, and energy sources.

RESOURCE EFFICIENCY
ASI will strive to ensure all campus resources are readily available and properly functioning to benefit the CPP community in collaboration with the appropriate campus department.
GLOSSARY

ASI: Associated Students Incorporated

BSC: Bronco Student Center

CPP: Cal Poly Pomona

Learning Organization: values-driven organization with the structures, systems, and processes to achieve goals, innovate, and adeptly respond to change by building organizational capacity through personal mastery and team learning.

OSLCC: Office of Student Life and Cultural Centers

SELS: Student Engagement Leadership and Success
