That ASI doesn't consider criticism of the Israeli Government to be hate speech (shouldn't be considered as antisemitic)

Open resources available for students on campus to voice their concerns and questions.

Discussion Items

Resolution Creation

Election Committee Code

- rethinking the entire structure of the code.
- would be a conflict of interest considering if the role were to involve a member in cabinet & BOD
- can't reach a conclusion on the statement and will be tabled

Joint Budget Committee Code

Audit Committee Code

- last revised in 2005
- why wasn't it revised much sooner?
