### Financial Considerations

Our club wants to cover \$750/student, currently CMAA can only afford \$192/student - ASI Finance Committee can ensure access

#### Student Challenges

#### Benefits to Students

- Many students face financial hardships.
- The combined cost of registration and flights create a significant burden for participants.

- Opportunity to engage deeply in **club management.**
- Gain valuable networking experience.
- Potential to secure internships and job offers for the upcoming summer.

#### Conlcusion

- Supporting our students will alleviate financial burdens and ensure full participation in the **2025** World Conference.
- Attendees gain access to industry leaders, networking opportunities, and the chance to secure internships and jobs.
- We kindly request the **ASI Finance Committee** to review our club's proposal and provide the maximum funding of \$6,000 to cover these costs.
- Impact on Cal Poly Pomona Students:
  - Your support helps dedicated students excel in club management and represent our university at the highest level.
