

2026 - 2027 Action Plan

How we plan to bring
student voice to the
forefront

PRESIDENT: ALEJANDRA LOPEZ-SANCHEZ & VICE PRESIDENT: KIMORA-AOKI MORLEY

PILLAR ONE

Consistency

GOAL

We aim to creatively showcase the inner workings of Associated Students, Inc., along with other decision-making Cal Poly Pomona departments, to ensure students have context for various decisions made on campus and avoid leaving students with empty promises.

INITIATIVES

Weekly video consisting of different board members to provide a concise, quick video recapping our board meetings to keep Cal Poly Pomona well informed about legislative decisions from ASI, Inc. and university departments.

LEADERSHIP VISIBILITY

Intentionally planning events and social media campaigns that center around budgetary transparency of ASI, along with establishing partnerships with other University departments to actively engage student insight, voice, and concern towards ASI leadership.

PILLAR ONE

CONSISTENCY

PILLAR TWO

Advocacy

GOAL

To advocate for all students to have spaces that foster and celebrate their identities through sense of belonging and basic needs initiatives.

SENSE OF BELONGING

- Expanding and preserving identity centers that have been a safe space for students
- Preserving student employees within ASI through compassionate leadership, including reforming scheduling practices along with delegation of task

BASIC NEEDS

- Cal Poly Pomona is within a food desert. Broncos need grocery shuttles to access complete and healthy meals
- Meal Preparation Demos + Tool Equipment through brand partnerships
- Partner with Care Center to create a Parking Pass Grant Program

PILLAR THREE

Enhancement

GOAL

Enhance university resources to better accommodate and center students' circumstances to improve their Cal Poly Pomona experience.

PARKING AND TRANSPORTATION

It is unfortunately a common experience within CPP that paying for parking is a barrier students face; through partnership with the Care Center and university leaders, we strive to reform intended policy and policy in practice to better serve the CPP students.

ACADEMIC AFFAIRS AND ACCESS

Through partnership with the Academic Senate and the ASI Officer of Advocacy, advocate for international students to receive priority registration to ensure they remain in good standing with visa and residency requirements and succeed and college, enhancing their college experience.

PILLAR THREE

ENHANCEMENT
